Christmas is just around the corner and I like everyone else, I believe, am hoping that as we move into the January of 2021 we can spend more time socialising with each other. The impact of Covid 19 on clubs has been great, however I can see that each of us has been finding ways to remain active and to meet. Even though our last meeting in November was held via Zoom it was wonderful to be able to induct two new members, Lisa Mulvany and Sharon Vale.

This last month we decided because all things Covid were very precarious that we would not hold our usual Christmas meeting. Also our plans for Amelia Earhart have also changed. However we look forward to catching up at our dinner meeting on 20th January. It will be a time to celebrate the New Year and to acknowledge Amelia Earhart. It will also be a lovely opportunity to officially welcome our two new members and to present them with their club badges.

Even in the face of the demands of Covid 19 Sarah Cunningham and a willing band of club members were able to complete 108 breast cushions at a morning held at 19 on Green in the last week, thank you all. Thank you Sarah for your leadership and thank you also to those members who did so much preparation work prior to the day that the team were enabled to have such a successful outcome.

This year we have been very fortunate to have been able to use the wonderful facilities of 19 on Green and I hope that we can continue similar work there next year. It seems to have become our second home.

This year we decided to use Facebook as our vehicle to focus on 16Days of Advocacy. Thank you Catherine for posting a new release every day, you have really assisted us to gain a much wider profile.

I would like to encourage you all to take note of all of the dates located in the left hand column. Please think about attending some or all of these events. More information about these will come to you later. Thank you all for the Service and Advocacy you have engaged in this year.

Best wishes for the Season – Lesley Sieglhoff PhD.

LATEST NEWS

FACEBOOK:

I thought you would be interested to know that our Facebook posts have reached 354 people resulting in 127 engagements, plus Zonta District 14, Judith Trevan-Hawke & 10 other people reacted to them.

We also have a number of other Zonta Clubs 'following' us. Fiona Dorman and National Council of Women mention the club's activities which means that our Club profile is being raised.

This all augurs well for enticing people to enquire about becoming a member. So as and when you see a club post, please share on your Facebook page and ask your contact to share on theirs. This domino effect will hopefully bring in more enquiries, which will certainly keep Jill and the Membership team happy!!

WORKSHOP SUCCESS

Many thanks to everyone who attended yesterday and made it a successful morning ! With lots of pre sewing before the day (Sue & myself) we now have 106 cushions in various stages of stuffing & wrapping !!

I will complete & deliver these before Christmas-to Calvary, Western Community, QEH, Mt Gambier & Cancer Council.

19 on Green worked really well. Distancing provisions were fab (but my loud masked voice still carried for lots of health education & tips!)

Cheers
Sarah Cunningham

THE ZONTA THANKS

*Wherever your country of birth
whatever your faith or creed
give thanks for the meal we share in Zonta Fellowship
But remember too those who have no food today
not with guilt that we have so much
but with hope that through Zonta service and advocacy
they too may come to share the same
in peace and harmony.*
