YOU ARE INVITED

TO OUR ANNUAL

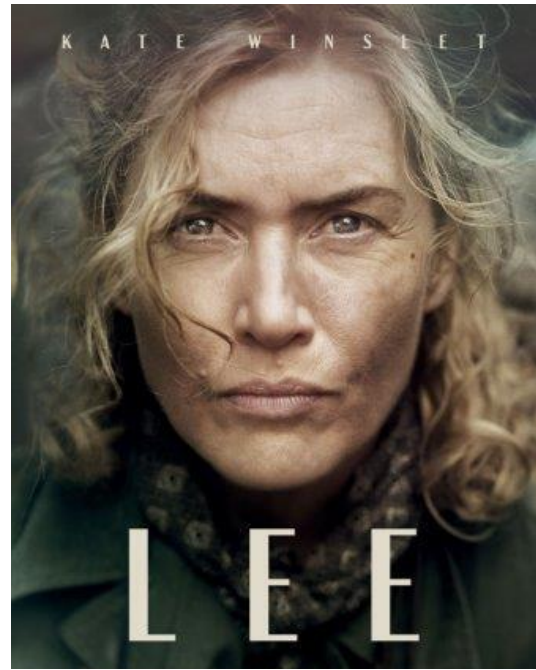

MOVIE NIGHT

With a gripping performance by Kate Winslet in the title role, "Lee" is based on the true story of Elizabeth 'Lee' Miller, a fashion model who became an acclaimed war correspondent for Vogue Magazine during World War II.

Through Kate's eyes we see the truth of her life of pain, joy and death embedded in her photographs.

This very powerful movie, which took eight years to make, is not just about war – it is about a beautiful woman who is also intelligent, genuine and daring, and the immeasurable challenges she faced to tell the truth through her images.

This biographical drama is directed by Ellen Kuras, "Lee" also stars Alexander Skarsgard and Andrea Riseborough.
